

Dear Sir:

RE: The Joshua Solution

Enclosed is my check in the amount of \$5.00 to cover shipping and handling of two samples of the Joshua Solution. Please send a sample to each of the individuals listed below:

About two months ago I sent for a sample of the solution and have used it several times. To my amazement it does everything you said it would do as it relates to cold sores. If I feel one starting, I immediately put the solution on the effected spot and the sore never fully develops and is gone within a few short days. What I would have given for something like that in high school!

Thank you for doing all the work involved in developing such a wonderful remedy. I have given your address to many people, but I wanted to send one of you samples to my Dad and my sister who also suffer the misery of cold sores.

Sincerely,

A handwritten signature in cursive script that reads "Pat Hess".
