I recently ordered the Doctors Cold Sore Solution (transaction ID 90070805FA082623R) and have to say that this product seems to cut the healing time in half. I had the cold sore on my lower lip for about 3 days before the solution arrived, but I used it 4 times a day religiously and in 2 days, it was completely gone.

I will definitely recommend this product to anyone who suffers from cold sores.

Sincerely,
