Hello,

I just wanted to thank you once again for your cold sore solution. I started feeling some tingling, and luckily I had some solution nearby, and put some on right away. I did not get those huge blisters like I normally do because I caught it so early with the solution. This is the second day, and my cold sore is already starting to go away.

Thanks again. I will never be without this Joshua's solution, and will recommend it to everyone I know that needs a solution that works!

Michelle
